

U920 SERIES

HIGH BAY LIGHT

Integrated Modern High Bay Lights

LANGY

innovation
for you

Model	U920-100W	U920-150W	U920-200W
Watt Power	100W	150W	200W
LED Light Source	SMD 2835*156pcs	SMD 2835*280pcs	SMD 2835*312pcs
Lumen (max)		150Lm/W	
Color Temperature		5500-6000K	
LED Lamp Life		50000H	
RA		> 80	
Input Voltage		AC100-277V 50-60Hz	
Power Factor		0.9	
IP Level		IP65	
IK Level		IK08	
Working Temperature		-20°C-60°C	
Product Size	Ø225*130mm	Ø265*140mm	Ø300*140mm
Package Size	250*245*130mm	290*295*140mm	330*325*140mm
PCS/CTN		1	
Package Weight	1.8kg	2.3kg	2.9kg
Material		Die cast aluminum + PMMA	
Warranty		3 years	

Features:

1. High-quality die-cast aluminum shell, strong corrosion resistance, not easy to rust, lightning protection, stainless steel screws, high-strength hard brackets.
2. High-transmittance optical lens, good light transmittance, uniform light, good uniformity of light effect.
3. High lumen LED chip, high brightness, high color rendering, low light decay, smooth performance, soft and comfortable light.
4. Wide-voltage anti-surge drive, fully enclosed aluminum alloy shell, plastic-filled package, full protection for short circuit/overcurrent/overvoltage/overheating.
